## PROFESSIONAL SUMMARY

Final-year Computer Science and Engineering student and Full Stack Developer skilled in Python, Django, Java, HTML, CSS, JavaScript, and SQL. Completed a hands-on internship building responsive web applications with Django. Experienced in developing full stack and AI-powered projects, with strong problem-solving and continuous-learning ability. Seeking Full Stack Developer / Software Engineer internship and entry-level opportunities.

## TECHNICAL SKILLS

- Programming Languages: Python, Java, JavaScript
- Web Technologies: HTML5, CSS3, JavaScript, Responsive Web Design
- Backend / Frameworks: Django, REST API Development, Node.js (learning), Express.js (learning)
- Databases: SQL, MySQL, SQLite
- Tools & Platforms: Git, GitHub, VS Code
- Currently Learning: React.js, Node.js, Express.js, Artificial Intelligence integration

## INTERNSHIP EXPERIENCE

### Full Stack Web Development Intern — Retech Solutions Private Limited *1 Month*

- Built responsive web pages using HTML, CSS, JavaScript, and Django templates.
- Implemented backend functionality using Python, Django, and SQL for web application development.
- Worked on real-world development tasks following industry coding practices under mentor guidance.

## PROJECTS

### Intelligent Resume Screening & Candidate Ranking System *Python, Django, React, JavaScript, MySQL, AI, NLP*

- Developed an AI-based resume screening application with NLP-driven skill extraction, job description matching, and candidate ranking to support recruitment decisions.

### Smart Personal Finance & Expense Management System *Python, Django, JavaScript, MySQL, Data Visualization*

- Built a finance management application with expense tracking, budget management, an interactive spending-analysis dashboard, and automated financial report generation.

### Student Record Management Portal *Java, JDBC, MySQL, HTML, CSS, JavaScript*

- Developed a database-driven CRUD application for student record management with JDBC-based connectivity and efficient data handling.

### Personal Portfolio Website *HTML5, CSS3, JavaScript*

- Designed and deployed a responsive portfolio website with resume download, GitHub/LinkedIn integration, and a professional project showcase, hosted on GitHub Pages.

## CERTIFICATIONS

- Python (Basic) — HackerRank
- Java (Basic) — HackerRank
- SQL (Basic) — HackerRank
- Full Stack Web Development in Python — Retech Solutions Private Limited (1 Month)

## EDUCATION

### B.E. Computer Science and Engineering — Tagore Engineering College, Chennai, Tamil Nadu *2023 - 2027*

- CGPA: 7.5 / 10

## ADDITIONAL INFORMATION

- Languages: Tamil (Native), English (Professional Working Proficiency)
- Interests: Full Stack Development, Artificial Intelligence, Web Development, Problem Solving
- Soft Skills: Teamwork, Communication, Quick Learning, Problem Solving, Time Management
- Career Interests: Software Engineer, Full Stack Developer, Python Developer, Django Developer
